Public Information Notice: Citizens attending the meeting are asked not to interrupt any portion of the meeting proceedings by speaking without being recognized by the board president, using other inappropriate methods of expression or other disruptive behaviors. The Board has the right to have persons removed from the meeting when such persons are, in the Board’s opinion, disrupting the meeting. ORGANIZATION, PHILOSOPHY AND GOALS Policy 0412 Meetings Meetings - Participation by Public The Board is interested in citizen viewpoints and in solving educational related issues within our community. In order for the administration and Board to be able to know and address citizens’ viewpoints and concerns, the Board must be made aware of them. Therefore, the Board encourages citizens and staff to work through their concerns at the building and/or administrative levels before coming to the Board. If the Board believes the concern/s were not properly addressed at the building and/or administrative level, the item may be addressed by the Board by having it placed on the board agenda as outlined in Board Policies and Regulations. At times, community members and staff may desire to share their viewpoint with the Board. In order for the Board to receive district patron and staff’s point of view, a period of up to thirty (30) minutes will be allotted at each month’s regularly scheduled Board meeting to give the Board the opportunity to listen to citizens. During this portion of the meeting the Board president will recognize people in the order they are to speak. During the citizens’ comment portion of the meeting, the Board asks that remarks be limited to three (3) minutes and to one appearance, thus allowing a maximum number of participants in the allotted time period. Interrupting other people while speaking is not appropriate behavior and will not be allowed. Questions directed to the Board cannot always be answered immediately. An appropriate person will respond to all questions in a timely manner if possible. Persons who wish to suggest items for the agenda should contact the Superintendent.
