

LONDELL R-14 SCHOOL DISTRICT

Success; Nothing Less!

Jenny Ulrich, Superintendent
Brad Rucker, President of the Board

Wayne Dierker, Principal
Sarah Grus, Board Secretary

March 27, 2020

Lonedell R-14 Families,

I hope you all are holding up during our school closure. I know it is difficult. You are doing a wonderful job keeping your students engaged in learning and active. I love seeing the photos you share on our social media pages. Protecting the safety of our students, staff, families, and community is foremost in my thoughts.

As you know, the COVID-19 (Coronavirus) outbreak has not slowed down. As a result, it is important to continue good hygiene practices, stay home when possible, and practice social distancing. **Keeping this in mind, and in conjunction with schools throughout Franklin County, Lonedell School will be extending its closure through April 24.** Below you will find the details from Franklin County schools.

“As area superintendents continue to navigate this historic COVID-19 health challenge, nothing is more important than protecting the health of students, employees, and the communities they serve. After consulting with state and local officials, all school districts listed below are announcing an extension of the current school closure through April 24. Families will receive more detailed guidance from their respective school districts over the next few days.

Franklin County R-II School District
Lonedell R-14 School District
Meramec Valley R-III School District
New Haven School District
Spring Bluff R-15 School District
St. Clair R-13 School District

Strain-Japan R-16 School District
Sullivan School District
Union R-XI School District
School District of Washington
Crosspoint Christian School
Immanuel Lutheran”

We will be sharing more details on additional learning resources, meal deliveries, and other resources as they become available. We will share these details via our normal communication outlets. Thank you for doing your part to keep our students, staff, families and community safe and healthy.

Sincerely,

Mrs. Jenny Ulrich
Superintendent
Lonedell R-14 School District
