

Hey Guys, I sure miss you! I am so sad that we are not going to be able to have our Fine Arts Show! You have worked SO HARD and I am very proud of you! Thank you to Mrs. Hill, Brooklyn U., and Lindsey R. for helping some of our girls learn a dance for the show! Mrs. Hicks and all the exploratory arts students have helped out so much with decorations and making our Jukebox! Thank you so much!!! I had a lot of fun teaching it to you!

Speaking of fun....who needs a gaming system when we have YouTube? I would like to get you up and moving with some Just Dance. This is one of my kids favorite things to do to pass time. I am going to give you the link to the Just Dance YouTube channel. Find some videos and dance! If you feel like showing us, take a video of you and your family dancing along! I would love to see it!

One more thing, K-5 when you hear one of the songs you were to sing for the Fine Arts Show write it down. Make a journal of all the places you hear those songs. Grocery store? Radio? Commercial? Movie? etc. Music is EVERYWHERE and the songs we were singing are very popular. My family and I went into a resale shop a few weeks ago and "Dancing Queen" was playing. Make a note and notice how often you hear familiar songs!

I hope you are all well! I am thinking of all of you! Let me know if I can help in anyway!
